### MSHDA's FAIR HOUSING POLICY STATEMENT

Equal housing opportunity for all persons, regardless of race, color, national origin, religion, age, sex, familial status, marital status, or disability, is a fundamental policy of the Michigan State Housing Development Authority. MSHDA is committed to diligence in assuring equal housing opportunity and non-discrimination to all aspects of its housing financing activities. As a state created housing financing agency, MSHDA has an ethical as well as legal imperative to work aggressively to ensure that MSHDA financed housing programs comply fully with all state, and federal fair housing laws.
